MOTION FOR RELIEF FROM JUDGEMENT BASED ON FRAUD

CLAYTON ECHARD,

Defendant.

(Assigned to the Honorable John Doody)

Defendant, **CLAYTON ECHARD**, by and through counsel undersigned and pursuant to Rule 2, *Arizona Rules of Protective Order Procedure* (ARPOP), which invokes Rule 60(b)(3), *Arizona Rules of Civil Procedure* (ARCP), or, in the alternative, Rule 85(d)(3), *Arizona Rules of Family Law Procedure* (ARFLP), hereby files his Motion for Relief from Judgment.

On October 6, 2023 and October 25, 2023, Plaintiff committed <u>fraud</u> when she filed her underlying Petition for Order of Protection and then testified before Judge Doody under the fraudulent pretense that she was pregnant with Defendant's "twins" and that Defendant

was "cyberbullying her" by posting her "medical records" online. To be clear, <u>Plaintiff was</u>

never pregnant by <u>Defendant</u> as they did not have penetrative sexual intercourse.

Specifically, during a deposition for the paternity/establishment matter currently pending before Judge Mata (FC2023-052114), Plaintiff <u>admitted to modifying</u> medical records and <u>claimed she had a miscarriage in September – predating the filing of the</u>

<u>OOP.</u> In her own words: Plaintiff "did change the top of that [sonogram] from Planned Parenthood to SMIL [...] I added my name in the – in the facility name, correct." (Exhibit 1, pages 81, 88). Relevant here, Plaintiff <u>tampered</u> with the same sonogram this Court found to be part of the single act of Domestic Violence required to justify granting the Order of Protection. Meaning, she submitted to this court, and this court explicitly relied upon, <u>a fraud</u>. ¹

verifiable medical evidence to support her alleged twin pregnancy and has admitted that the ultrasound at the core of this Court's basis for granting the Protection Order was *de facto* fraudulent. Moreover, to date, every obstetrician and gynecologistsPlaintiff testified (court proceedings and deposition) to being seen for her (fake) pregnancy have indicated they have no records as she was never seen as a patient. *Startlingly*, the source of the sonogram that this Court relied on was allegedly from Southwest Medical Imaging (SMIL), which has

Through the discovery process, a very disturbing hobby of Plaintiff modifying/creating documents she purports to be medical records (and legal correspondence) has been identified.

(independent of Plaintiff's admission to doctoring the image) confirmed there are <u>no records</u> of the alleged sonogram.)²

Further emphasizing the extreme fraud on this court, notwithstanding sharing *other* "sonograms" of the alleged "twin" pregnancy (that curiously match up with sonograms and YouTube videos posted from years ago *online*), Plaintiff has now denied the existence of <u>all</u> other sonograms. (**Exhibit 1**, page 86). When confronted with science and the opaque lack of evidentiary support at the deposition, Plaintiff admitted that she *never sought OBGYN or related care* for the pregnancy further demonstrating the fraud on this court (and in the collateral proceeding).

Plaintiff was <u>never</u> pregnant and all allegations stemming from the fictious pregnancy are fraudulent. As a result of Plaintiff's gross and consistent fraud, the entire matter is tainted as neither Defendant nor the Court had a full and fair opportunity to litigate and discharge their respective duties.

As and for his Motion, Defendant states as follows:

I. BACKGROUND

1. On October 6, 2023, Plaintiff obtained an ex parte Order of Protection against Defendant (Exhibit 2) and indicated that "one party was pregnant by the other." Her Order alleged, among other things, that Defendant was "cyberbullying" her on Reddit and posting

² For clarity, Plaintiff testified on March 1, 2024 that she obtained the sonogram on July 7, 2023, at Planned Parenthood in Mission Viejo, California and then <u>edited medical records</u> to add her name and falsely attribute it to Southwest Medical Imaging (SMIL). Regardless of the "source," <u>neither SMIL nor Planned Parenthood have any records for any ultrasound appointment for Plaintiff.</u>

"private and confidential information, including [...] medical history" that he could only have access to because of their paternity case surrounding claim that she was "pregnant with his twins." The entirety of Plaintiff's allegations in her Order of Protection surrounds the existence of medical evidence to support her fictious pregnancy.

- 2. On October 25, 2023, a contested hearing was held before Judge Doody. Plaintiff testified to having attended various medical appointments to "confirm" her pregnancy, including the ultrasound appointment for the sonogram at issue and specifically relied on by this court. This was a lie as the sonogram was fabricated and medical providers have affirmed that Plaintiff never attended any pregnancy-related appointments.
- 3. The same date, the Court granted Plaintiff's Order of Protection solely based on the following image posted below, which Defendant allegedly posted anonymously on Reddit (which Defendant vehemently denies) and Plaintiff testified contained a sonogram that she "only" sent Defendant. FTR Oct. 25, 2023 at 10:01:17 a.m. (Exhibit 3). This is either the same sonogram Plaintiff has admitted to changing and that the alleged source³ of the sonogram has no records of or one of the other sonograms that Plaintiff has testified she did not obtain (see Exhibit 1). (Parenthetically, Plaintiff (herself) also posted all the alleged sonograms on a public DropBox on Reddit and emailed the "records" to various journalists/media).

³ Again, the source is either SMIL according to the insignia <u>or</u> Planned Parenthood, who, according to Plaintiff, was the original source.

II. RELEVANT LAW

Where not inconsistent with the *Arizona Rules of Protective Order Procedure* (ARPOP), Rule 2 invokes the *Arizona Rules of Family Law Procedure* (ARFLP) to "protective order matters heard in in conjunction with pending family law cases" and the *Arizona Rules of Civil Procedure* (ARCP) for "all other cases." Here, as the ARPOP does not include rules for requesting a new trial or setting aside a judgment, Rule 85(d)(3) ARFLP and Rule 60(d)(3) ARCP are invoked to the extent not inconsistent.⁴

Under both Rule 85(d)(3) ARFLP or Rule 60(d)(3) ARCP, the Court may relieve a party from a judgment based on "fraud (whether previously called intrinsic or extrinsic, misrepresentation, [and] other misconduct." Additionally, both Rules permit a motion to be made on the basis of fraud "within a reasonable time [...] no more than 6 months after the entry of the judgment."

Fraud, as defined by Rule 85(d)(3) ARFLP/Rule 60(b)(3) ARCP, can be either intrinsic or extrinsic; both justify relief from a judgment. Extrinsic fraud is "fraud upon the court," and concerns the procurement of a judgment. Extrinsic fraud has "effect of which prevents a party from having a trial, or from presenting all of his case to the court, or which operates, not upon matters pertaining to the judgment itself, but to the manner in which it is procured [...]" Bates v. Bates, 1 Ariz.App. at 168-70 (Ariz. App. 1965). Conversely, intrinsic fraud "pertains to matters of judgment itself" and therefore is concerned solely with fraudulent conduct that

⁴ Although the hearing for Plaintiff's Order of Protection was arguably *not* heard in conjunction with the family court matter and the ARFLPs are likely *not* invoked, Defendant cites to Rule 85(d)(3) in the alternative to protect his right to relief.

occurs within the proceeding. *Robertson v. Teel*, 513 P.2d 977 (Ariz. App. 1973). <u>Both</u> forms of fraud constitute the "fraud" for the purposes of Rule 85(d)(3) ARFLP/Rule 60(b)(3) ARCP.

III. ARGUMENT

Plaintiff committed fraud in her October 6, 2023, Petition for Order of Protection.

Plaintiff committed fraud (extrinsic) when she filed her Petition, which the Court relied on in order to grant the Order, and falsely claimed she was pregnant by Defendant. In her Petition, Plaintiff alleged that (1) Defendant had threatened her "since discovering [she] was pregnant," (2) Defendant had posted "personal and sensitive information" about her because of their paternity case; (3) Scottsdale PD had called Defendant; (4) Defendant was anonymously posting "private and confidential information, including facts about [her] medical history" and (5) Plaintiff feared for her safety. All of these allegations are fraudulent.

Plaintiff was <u>never</u> pregnant – the parties never had intercourse. Plaintiff has provided <u>no</u> verifiable medical records to confirm her pregnancy (because none exists) and *every* provider she testified to being seen by has confirmed they have <u>no</u> records for Plaintiff. There are no sonograms, no monthly follow up appointments – there is simply <u>no</u> evidence that Plaintiff was ever pregnant and certainly not within Defendant's "twins." To make matters worse, Plaintiff has since testified that she *had a miscarriage* in September, *predating* her filing this Order of Protection.

Because Plaintiff was never pregnant (and could not have been pregnant from fellatio) and/or she is now alleged she miscarried *prior* to filing the Order of Protection, the entirety of Plaintiff's underlying Order of Protection is fraud upon the Court. Plaintiff's representation of herself in an *ex parte* filing as pregnant with Defendant's "twins" and a victim of Defendant

maliciously claiming she was *not* pregnant and posting "medical" evidence online ostensibly led the Court into granting her Order of Protection.

Plaintiff deliberately withheld from the Court that she was not pregnant (and/or that she had miscarried the feigned pregnancy (at the time of the hearing) and that she altered the "medical" records she alleged Defendant was anonymously sharing online (which he vehemently denies) in order to procure a judgment against Defendant. Therefore, the Court's judgment granting Plaintiff's Order of Protection on October 6, 2023 must be set aside because "fraud was practiced in the very act of obtaining it." Bates v. Bates, 1 Ariz.App. at 168-70 (Ariz. App. 1965). Without this critical material information, neither Defendant nor this Court had the full and fair opportunity to litigate and discharge their respective duties.

Plaintiff committed fraud (intrinsic and extrinsic) when she testified before Judge Doody regarding a sonogram on October 25, 2023, leading Judge Doody to uphold the Order of Protection. While arguably the entirety of Plaintiff's testimony regarding her alleged pregnancy was fraud, the Court explicitly indicated that it was granting the Order of Protection based on the *sonogram* depicted in the image inserted above. FTR Oct. 25, 2023 at 10:01:17 (Judge: "The way you published this photo [...] it's unflattering [...] that's my reason for making my decision").

Plaintiff committed fraud when she testified as to the existence of the sonogram, which she has since admitted she altered and that the "source" of the ultrasound (either Planned Parenthood *or* SMIL) has indicated they have <u>no</u> records of the ultrasound ever taking place because they are <u>fake</u>. Plaintiff committed fraud when:

- a. Plaintiff testified she sent Defendant <u>and</u> a member of the media the sonogram depicted in the image at issue but *only* Defendant could have posted the image containing the sonogram. FTR Oct. 25, 2023 at 8:47:32.
- b. Plaintiff testified that the main image the one of her "pregnant" in a bra and yoga pants had <u>already</u> been published online but that the sonogram was not. FTR Oct. 25, 2023 at 8:49:24. (In reality, both were published by Plaintiff on Reddit in a publicly accessible DropBox).
- c. Plaintiff testified that she sent Defendant the ultrasound photo and ultrasound video and that she had an "ultrasound report" to accompany the July 7, 2023 sonogram. FTR Oct. 25, 2023 at 8:59:50 and 9:00:23 a.m. (Again, no ultrasound records exist as there was never any ultrasound).

As the Court explicitly stated that the <u>sole reason</u> it was upholding the Order of Protection was <u>because</u> of the image containing the sonogram, Plaintiff committed fraud upon the Court (extrinsic). Plaintiff withheld to the Court that <u>she</u> had doctored the sonogram and that the alleged ultrasound where she obtained the sonogram <u>had never taken place</u> because it is a fake. Therefore, the Court's judgment upholding Plaintiff's Order of Protection on October 25, 2023 must be set aside because "fraud was practiced in the very act of obtaining it." *Bates v. Bates*, 1 Ariz.App. at 168-70 (Ariz. App. 1965).

IV. Defendant is entitled to his reasonable attorney's fees in costs incurred in this entire action, including filing this Motion for Relief from Judgment. Defendant is entitled to his fees and costs incurred as a result of Plaintiff's lies and manipulations by making this malignant filing and then testifying before the Court alleging facts and

circumstances now known to Defendant to be <u>false and/or fraudulent</u>. To be clear, Plaintiff was fully aware of the true nature and circumstances underpinning her perjurious statements and when she admitted "medical evidence." On October 6 and October 25, 2023, she knew she was <u>not pregnant</u>, that she had <u>not received an ultrasound for her alleged twin pregnancy, and that the sonogram she had proffered was created by <u>her.</u> Defendant had to incur significant costs and fees unraveling Plaintiff's web of lies, which included having to defend himself against her malignant filing of the underlying Order of Protection. Defendant is entitled to his reasonable attorney's fees and costs expended defending himself against Plaintiff and filing this Motion, pursuant to A.R.S. § 25-324.</u>

To be clear, there is absolutely no suggestion, that Plaintiff's attorney for the Order of Protection had any knowledge that he was presenting fabricated medical records. Although Plaintiff has a history of fraud (the extent of which includes, but is not limited to, the three (3) know prior victims who have claimed they were subjected to similar false pregnancy), it was not yet fully exposed until well after this protective order proceeding.

WHEREFORE, Defendant respectfully requests the Court:

- A. Dismiss the Order of Protection in its entirety, with prejudice on the basis of fraud;
 - B. Grant leave to Defendant to submit a Child Doll Affidavit;
 - C. Award Defendant his reasonable attorney's fees;
- D. Order such further relief as the Court deems just including appending consequence to the current outstanding sanction request pending adjudication before Judge Mata on June 10, 2024.

6/1/2023	Clayton has sent threatening messages since discovering I was pregnant, such as: I legitimately hate you right now. my hatred will only grow if you decide to put me through all of this. My animosity would last for a lifetime and that's not something either of us want to subject ourselves to. One thing about me is when I make up my mind for good, especially when it's rooted in anger, I don't sway. Ever My hate is toward you and you only. If you decide to not take plan B and in the wild event that you are pregnant, I would hate you even more.		
9/21/2023	Clayton Echard was The Bachelor and has many diehard loyal fans. He and I are involved in a very public paternity case that is being covered by every major media outlet. Clayton posted to a story to his 270k followers to look me up, which they have, and I have been sent threatening and harassing messages by his followers. I explained this to him and asked him to take down the post, which he did not. By posting personal and sensitive information about me publicly (and without my consent), he has made me feel humillated and embarrassed.		

9/21/2023	Scottsdale PD Officer Vince Johnson called Clayton to explain that what he was doing was harassment in and of itself, coupled with the fact that he was inciting his followers to harass me as welf. Despite this call, Clayton still did not take down the post.
10/5/2023	Between 9/22 and 10/5, Clayton has posed as several users on Reddit, including "sillygoosetits", "GossipGooseTits", "Sandbetweenhertoes", and others. He has posted private and confidential information, including facts about my medical history, that is known only to him because of our paternity case. This is why it is 100% traceable back to him. He has also been writing defamatory and very hurtful things about me, including comments about how I have gained weight (I am pregnant), how I am not attractive, how my photos are so poorly edited that it is laughable, how I am bad at my job (a self-help podcaster), and how my prior abusive relationship, which inspired a TEDx talk, never happened, despite mountains of evidence. He is doing everything in his power to ruin and hurt my reputation. As a result of what he has posted, I have gotten harassing messages that have told me to harm myself as a result of becoming pregnant with his twins. I am getting other threatening messages as well, and all of this attention from the general public that he has incited is very much unwanted. As a result of this public shaming, he has caused me extreme psychological harm and disrupted my peace. I have asked Clayton to stop the harassment on Reddit and social media so many times, but he won't. I have reported his accounts and posts to Reddit, but he continues to write unacceptable, cruel things about me. He has multiple accounts now and so even if one is blocked, he can create another one. As a result of him spreading false and damaging information under pseudonyms, I feel demeaned, humiliated, and like my deepest sense of privacy has been invaded. In addition, he has been in communication with my ex, who I have an order of protection against, and who he knows is dangerous. I have asked him to stop talking to him because it will put me in danger, but he continues to communicate with him.
10/6/2023	When combined, all of this has led me to feel extreme anxiety and fear for my safety. I have not left my house since September 28th because of this.

- The following persons should also be on this order. They should be protected because Defendant is a danger to them:
- Defendant should be ordered to stay away from these locations at all times, even when I am not present. NOTE: Do not list confidential addresses here.

- 9. Other requests: No cyberharassment or cyberbullying under real name or pseudonyms.;
