NARRATIVE

---SYNOPSIS---

On 6/11/24 Laura Owens claimed that Clayton Echard, Michael Marraccini, and Gregory Gillespie all violated her active orders of protection against them.

---CALL COMMENTS---

On 6/11/24, I was wearing my designated police uniform, an on-body camera, and driving a fully marked Scottsdale Police patrol vehicle.

---INTERVIEW WITH LAURA---

I then called the reporting party who identified herself to me verbally as Laura Owens. I asked Laura to explain to me what happened, and the following is what she told me.

She explained that on 6/10/24 three different men whom she has order of protections against all came to town to conspire against her and create a smear campaign. She stated that she was in court on the 10th and that Michael Marraccini violated her order of protection by appearing as a witness in a court hearing where he was asked to testify as a witness.

Laura then sent me an email detailing how Clayton Echard and Gregory Gillespie (she also has an order of protection against Gregory) have violated her orders of protection by indirectly causing their substantial following on social media to harass her.

media, and shall not cause others to communicate or post untrue or harassing comments regarding Plaintiff online or otherwise.”

---ECHARD CLAIM---

Laura claims that Clayton violated her order by stating on podcasts “She is dangerous” and “she needs to be prosecuted.” The details are listed above and stating an opinion about a court case and her on a public platform does not violate the order.

---GILLESPIE CLAIM---

Laura claims that Gregory violated her order by posting “Stop this woman! No one should cave to her harassment, she is dangerous.” It should be noted that these opinions were posted on a public platform and nowhere in the posts does it incite his following to harass her, nor is it direct communication with the plaintiff.

---MARRACCINI CLAIM---

Laura claims that Michael violated her order against her by attending a court hearing where he was summoned as a witness to testify. To quote Laura and the judge who presided over the case “Judge Mata allowed Michael Marraccini to stay despite my restraining order, stating, “Judicial Branch Security will ensure the safety of all parties while at the Northeast Facility. Additional accommodations will be considered as requested.” Laura claims that a standing Maricopa Superior Court judge assisted in violating the order along with Michael.

---FURTHER---

It should be noted that Luara sent me an email outlining all the instances where all three of the orders were violated, all of which are tied to comments made on public platforms. Laura also attached the valid and active orders against the three men. All the documents and the email will be attached in the report. There is no clear violation of any of the court orders.

---THE EMAIL---

Hi Officer,

I apologize for any confusion during our phone conversation and appreciate your attention to this urgent matter. Since I have had to renew the restraining orders against Michael Marraccini and Greg Gillespie before, I am familiar with the process and know how important it is to report any violation.

As you can tell from the video I am attaching, the three men I have the restraining orders against (Clayton Echard, Michael Marraccini, and Greg Gillespie) are coming together to try to paint me as the abuser because I have orders against them. This is their vendetta against me.

In the past, I have not pushed hard for prosecution, but given their coordinated efforts to harass me themselves, as well as incite harassment against me on Clayton’s platform (his Instagram has 295k followers), I would like that to happen now.

I am attaching detailed accounts of how Clayton and Michael have violated the order. For Greg Gillespie, I wanted to report that he has engaged with Michael Marraccini on one of Clayton’s posts on social media, calling me “dangerous” despite the fact that I have never committed a crime. Additionally, Greg appeared in the video I referenced above, further violating the order by causing others to harass me indirectly.

Given the gravity of these violations and the ongoing harassment, I urgently request that appropriate action be taken against Greg Gillespie, Clayton Echard, and Michael Marraccini for their clear and deliberate breaches of the restraining orders.

I know this is confusing, but I can be reached any time for questions.

Thank you!

All the best,

NFI

NARRATIVE

----FURTHER----

On 6/16/24 I was made aware that Laura had sent more "evidence" of further violations of the court orders.

One of the documents that was sent to me was an email that Gregory Gillespie sent to Laura's attorney stating "Hey loser! Glad it didn't go your way. Like, in anyway possible. Lmao. Enjoy your trip You know, I think a new city for you might be a good idea." Laura herself stated "While this email was not sent directly to me, it is about me and contributes to the pattern of harassment and intimidation." It should be noted that the order of protection does not include Laura's attorney as a protected party.

Additionally, Laura cites comments that Gregory made on Instagram saying "It takes a village! Way to hang in and fight. Monday was a good day," and "PS. Watch out for that JD curse.. You could be a father in 36 months!" and "Thank you yeah, it's nicer having the truth out in the open and a community that has your back. That's what it takes to beat a criminal like her," and finally "Pretty soon, 'you know who' WILL be named publicly. When that day comes, let's keep an eye out so that no one else joins this fraternity."

It should be noted that none of these comments include Laura's name, none of them show Gregory asking people to harass Laura, and all of them are opinions made on a public platform. Based on the new information given by Laura It still stands that there has been no clear violation of the court orders.
