I, Chase [Redacted], declare as follows:

1. Introduction

I am the individual associated with the Patreon account linked to the email address [Redacted], which is subject to a subpoena in the above-entitled matter. I have personal knowledge of the facts set forth in this declaration and could and would competently testify to them if called as a witness.

2. Background of the Case

This declaration supports the Motion to Quash the Subpoena issued in the case of [Redacted] v. David Neal, demanding extensive information from my Patreon account.

From JusticeForClayton community on **Reddit**

1 **3. Overbroad and Unreasonable Request**

2 The subpoena requests detailed financial and account ownership information that is excessively
3 broad and not tailored to the specific issues of this case. Such requests are unreasonable and
4 oppressive, exceeding the scope of permissible discovery.
5

6 **4. Lack of Relevance**

7 The information sought by the subpoena does not have a reasonable connection to the disputed
8 facts of the case. The demand for comprehensive account details is irrelevant to the subject matter of
9 the ongoing litigation.
10

11 **5. Privacy Concerns and Constitutional Rights**

12 Producing the requested information would infringe upon my privacy rights as protected under the
13 California Constitution (Article I, Section 1) and the Fourth Amendment of the United States
14 Constitution. The subpoena unjustifiably violates these rights.
15

16 **6. Protection Under Federal Laws**

17 The information in my Patreon account is protected under the Stored Communications Act (SCA),
18 18 U.S.C. § 2702. The SCA safeguards the privacy of electronic communications and prohibits
19 unauthorized disclosure, which this subpoena directly challenges.
20

21 **7. Conclusion**

22 The subpoena issued in this case is overbroad, irrelevant, and infringes upon constitutionally and
23 federally protected privacy rights. Therefore, it is imperative that this Motion to Quash the Subpoena
24 be granted to protect my rights and uphold the legal standards governing the issuance of subpoenas.
