Laura Owens calls SPD to report harassment and asks if there is any way for it to not have it be public record.

SP: Scottsdale Police, this is Michelle.

LO: Hi! I was wondering if I could make a report about somebody who is harassing me.

SP: You live in Scottsdale?

LO: I do, yes.

SP: What is your address?

LO: [Redacted]

LO: And is it possible to not have this be public record? Because I'm getting really badly bullied on Reddit and they are accessing any 9-1-1 call I've ever made and posting it.

SP: Unfortunately, no, it's all public record.

LO: Ok. Ok.

SP: Are they harassing you online?

LO: Umm...yes, but I do have one who um...who threatened me um... to come and shoot me and my mother on Saturday. And they just posted something else now.

[Silence between 0:53-1:03]

SP: Ok and what's your last name?

LO: Owens. O-W-E-N-S

SP: And first name?

LO: Laura.

SP: And a phone number for you?

LO: [Redacted]

SP: Ok. I'm going to have somebody give you a call and they'll take the report from you. But if anybody does show up at your house, call us immediately on 9-1-1.

LO: Ok. I will. Thank you so much. I appreciate it.

SP: You're welcome. Bye-bye.

LO: Ok. Bye.
